

Update on Mankato *Rails & Rivers* Annual Meet Originally Scheduled for May 28-31, 2020

We regret to announce the C&NWHS Annual Meet, to be held at Mankato, MN on May 28-31, 2020 will NOT be held as scheduled. Although our meet dates fall just beyond the current 60 day Center for Disease Control ban on gatherings of 50 or more people, we feel it prudent to not hold the event at the scheduled time. All observations indicate the situation with Covid-19 is very dynamic and is still in the escalation phase.

When our board of directors meet via conference call during later April, we will process through the information at hand and make a decision on whether the meet can be rescheduled to fall 2020, held in 2021 or other year, or cancelled in its entirety. In addition to other considerations, the meet hotel is scheduled for renovation which could affect its availability.

For those who have already registered, NO checks have or will be cashed. They will be voided and returned. Similarly, any credit card information received will NOT be processed. Hotel reservations will need to be cancelled by those who made the reservation.

While making meet rescheduling or cancellation plan, we will stay tuned to the guidance of the medical community, and be sensitive to the health and well-being of C&NWHS members and followers.

Thank you for your understanding and support during this trying time. Please stay safe and well.

Sincerely,

Terry Davis
